PROJECTS & EXPERIENCE

Insta Spots — (REACT Assessment)

MAY 2025 - MAY 2025

Built a React application with **create, edit, and update post features**

Applied CRUD operations using React state management and component design..

Library Project — (REACT practice)

APRIL 2025 - MAY 2025

Converted my pure HTML/CSS/JS Library project into React.

Implemented features for adding, removing, and managing books dynamically.

Todo List App

MAY 2025 - MAY 2025

Created a Todo List app using **React 19+** with **TanStack Query** for data fetching and state management.
